

Community Service Award – Nomination Form

The Community Service Award recognizes a member (or group of members) of the Faculty Association of the University of Calgary who has provided exceptional service to the community and has gone above and beyond the requirements of the person's position. This person, or group, has thus made an outstanding contribution of personal time and effort for the benefit of others.

Special emphasis will be placed on those service activities that involve outreach to the community beyond the University and activities that go beyond the regular duties of the academic staff member. In this context, service may include volunteer work, as well as educational outreach or the application of research and other scholarly activities in the community.

How has the nominee provided exceptional service to the community that goes above and beyond their regular duties as an academic staff member? Attach any supporting documents and/or background information that you feel would be of use to the Awards Committee.
