Independent Auditors' Report

To: The Members of The University of Calgary Faculty Association

Opinion

We have audited the financial statements of The University of Calgary Faculty Association (the "Association"), which comprise the statement of financial position as at June 30, 2023 and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as at June 30, 2023 and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged With Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of
 the Association's internal control.

Independent Auditors' Report (continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to Financial Statements

June 30, 2023

1. Purpose of organization

The University of Calgary Faculty Association ("the Association") is a trade union under the Labour Relations Code and is an Academic Staff Association incorporated under the Post-Secondary Learning Act of Alberta. The Association's primary functions are to negotiate the terms of employment for its members and to protect the interests of academic staff through the filing of grievances where appropriate.

The Association is a not-for-profit organization under section 149 of the Income Tax Act and as such is exempt from corporate income taxes.

2. Basis of presentation

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles, specifically Canadian accounting standards for not-for-profit organizations (ASNFPO).

3. Significant accounting policies

(a) Financial instruments

The Association initially measures its financial assets and financial liabilities at fair value.

The Association subsequently measures all of its financial assets and financial liabilities at amortized cost, except for marketable securities that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized as unrealized gains or losses in the statement of operations.

The financial assets measured at amortized cost include cash and accounts receivable. The financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

(b) Property and equipment

Property and equipment are recorded at cost. Assets acquired over \$500 are capitalized to the appropriate accounts. Amortization of property and equipment is provided on a straight-line basis over the assets' estimated useful lives as follows:

Office improvements 5 years
Office furnishings and equipment 5 years
Computer equipment and software 3 years

(c) Revenue recognition

Faculty dues are recognized as revenue, either in the period received or, when a portion of the revenue relates to a future period, it is deferred and recognized in the subsequent period.

Employment insurance premium rebate, release time recoveries, investment income, sessional travel fund, and other income is accrued and recognized in the year it is earned.

3. Significant accounting policies, continued

(d) Internally restricted funds

The Association's budget policy provides for Special Funds that cover expenditures which go beyond the yearly budgetary cycle. Special Funds include but are not limited to: Strike Fund, General Reserve Fund, Capital and Software Fund, Benefits Reserve Fund, Special Projects Fund, Defence Fund, Special Motions Fund, and Sessional Travel Fund.

Strike fund

The amount in this fund represents a levy of 1 mils collected from the membership for use in the case of strike or lockout, supplementary to the benefits provided by the CAUT Defence Fund. These funds are held by the Association, shown as a long-term asset, in view of the restrictions as to their utilization. These funds are held in an investment account segregated from the other cash, cash equivalents, and investment accounts of the Association.

Defence fund

Dues are collected for and remitted to the CAUT Defence Fund. The Association can access this fund for its members in the form of a paid grant or other in the event of a strike or lockout. Accordingly, these funds remitted are not reflected as an asset within the Association's financial statements, as their application is based on a collective action.

Other funds

Each of the other funds has a clearly defined set of guidelines for allocation of funds, a designated minimum funding formula, a specific set of spending thresholds and individual requirements for approving expenditures. A common set of guidelines govern investment, reporting requirements and signing authority.

The funds can be accessed following approval by the Board of Directors for the established purposes, within the limits prescribed, by the Executive Director, the Treasurer, the Board of Directors or the Personnel Committee. The General Reserve Fund also covers any operational shortfalls.

(e) Other reserve expenses

Other reserve expenses relate to expenditures that go beyond the yearly budgetary cycle. Amount includes legal costs in resolving interest arbitration and certain grievance cases, and funds given to support other university faculty associations on strike.

(f) Defined benefit pension plan

Certain employees of the Association participate in the University Academic Pension Plan ("UAPP"). UAPP uses the funding valuation to measure the defined benefit obligation.

Although unlikely, this obligation to its employees could result in an additional liability to the Association to the extent that the plan is not fully funded.

Notes to Financial Statements

June 30, 2023

4. Cash

Included in cash is \$2,382 (2022 - \$478,590) which is part of marketable securities portfolios.

5. Marketable securities

At year end, the Association held marketable securities portfolios as follows:

	 2023	2022
Fixed income securities in current assets Fixed income securities in strike fund assets	\$ 2,573,655 \$ 1,547,367	2,023,534 1,198,728
Total fair market value	4,121,022	3,222,262
Book value	4,331,877	3,421,129
Ending fair market value less book value Beginning fair market value less book value	 (210,855) (198,867)	(198,867) (16,290)
Unrealized change in fair market value	\$ (11,988) \$	(215,157)

Marketable securities in current assets comprise of fixed income securities which bear interest from 1.67% to 5.33%, and are callable between April 2028 to January 2033.

Marketable securities in strike fund assets comprise of fixed income securities which bear interest from 2.75% to 3.00%, and are callable between December 2023 to September 2027.

Book value includes total amount paid to purchase a security, including any transaction charges related to the purchase, adjusted for income earned, reinvested distributions, returns of capital, and corporate reorganizations if applicable. All investments are principal protected by the issuer at maturity.

6. Property and equipment

			2023	2022
	Cost	 umulated ortization	Net	Net
Office improvements Office furnishings and equipment Computer equipment and software	\$ 43,633 52,991 171,828	\$ 20,505 46,452 152,764	\$ 23,128 6,539 19,064	\$ 31,044 5,203 7,717
	\$ 268,452	\$ 219,721	\$ 48,731	\$ 43,964

Notes to Financial Statements

June 30, 2023

7. Internally restricted – Strike Fund

	2023	2022
Opening balance	\$ 1,328,777	\$ 1,120,417
Strike Fund dues received	251,970	252,715
Net change in fair market value of marketable securities	 34,203	(44,355)
	\$ 1,614,950	\$ 1,328,777

8. Internally restricted – other funds

Net asset fund balances are as follows:

2023		2022
\$ 2,366,784	\$	2,437,478
54,340		106,503
103,321		93,946
237,002		139,886
20,000		-
 56,621		_
\$ 2,838,068	\$	2,777,813
\$	\$ 2,366,784 54,340 103,321 237,002 20,000 56,621	\$ 2,366,784 \$ 54,340 103,321 237,002 20,000 56,621

9. Financial instruments

Market risk

The Association is exposed to the risk that the fair value of its fixed income investments that bear interest at fixed rates will fluctuate because of changes in the market rate of interest. This risk is managed by the application of an approved investment policy that restricts the nature of investments held.

Financial assets

The carrying amounts of financial assets recognized in the financial statements consist of:

	2023	2022
Measured at amortized cost	\$ 470,252	\$ 1,035,977
Measured at fair market value	 4,121,022	3,222,262
	\$ 4,591,274	\$ 4,258,239
